Dear Beloved UUCF Community,

“If we take ourselves seriously enough to align our energy and share our resources, and risk together, we can have impacts in this moment far beyond what any of us could do on our own.” — UUA president Sofia Betancourt

As we enter a new stewardship season, we invite you to pause and imagine what our congregation can become when we dream boldly together. This year’s theme—**Envision Growth, Empower Our Future**—calls us to look ahead with courage, creativity, and commitment.

Our congregation has always been a place where people seek meaning, nurture compassion, and work for justice. In a world that often feels uncertain, our shared values matter more than ever. We are a community that shows up for one another, welcomes the seeker and the skeptic, teaches our children to lead with kindness, and strives to build a more loving and equitable world.

Now, more than ever, we need to invest in our congregation to ensure it remains a beacon of hope and action. Your support during this pledge drive will enable us to continue our mission—to be a home for those seeking community, spiritual sustenance, and a space where love, justice, and compassion thrive.

This year, we Envision Growth filled with joy:

- Growth in spirit, as we deepen worship that inspires and uplifts
- Growth in connection, as we strengthen the bonds of our community
- Growth in justice, as we bring our values into the wider world with courage and compassion
- Growth in sustainability, as we plan wisely for the generations who will follow

And we Empower Our Future by:

- Supporting the dedicated staff who guide and nurture our ministries
- Investing in religious exploration that sparks wonder and resilience
- Funding the programs that bring meaning, comfort, and joy to our lives

We invite you to join us in this hopeful vision by making a generous pledge for the coming year. Your pledge is more than a financial contribution—it is a declaration of hope. It is a commitment to sustaining the programs, staff, worship, music, pastoral care, and justice efforts that make our congregation a beacon of light.

Every pledge—no matter the size—helps us grow into the congregation we are called to be. When we each give from the heart, we create something extraordinary together.

Thank you for the countless ways you bring life, joy, and love to this community. Together, we can envision growth. Together, we can empower our future. And together, we can continue to build a congregation filled with hope, courage, and joy.

With deep gratitude and hope,

Your UUCF Board
